

Developing and Implementing Outward Mindset (DIOM)

DIOM – Resolve internal problems and achieve break through results by maximizing the extent to conceive and execute the work with an " Outward Mindset " – considering the impact on others and focusing on the needs of the organization as a whole.

INTERNATIONAL

**High
on
Demand**

Use DIOM to:

- Overcome a self-focused inward mindset and shifting to Inclusive outward mindsets
- Adjusting their behaviors in accordance with their changed mindsets
- Help individuals clarify their roles and hold themselves accountable for their impact on others
- Help individuals and teams plan, work and resolve differences more collaboratively and effectively.
- Invite and reward sustained, systemic change.

Duration: 1 – 2 Days

Delivered As:
Instructor | Virtual Instructor

Mindset . Accountability . Collaboration .

Building strong, genuine connections with others is as important as achieving objectives.
